Name: Computer parts online shopping

Functionality: Login, Register, Add customer, Add Product, Remove Product, Search product, and Make Purchase.

Technology: MVC CRUD Framework.

Language: Java

Library: im4java-1.4.0-1.5

Project GitHub link: https://github.com/Rubielyn/2nd-Year-Project.git

3rd Year Projects

project 1

Name: Weight and Temperature convertion

Technology: Angular 2

Project link: https://bitbucket.org/x.

Project 2

Work placement Research project Description: Analysis of company's organisational structure and key business processes, conduct analysis and investigation in order to gain a deeper insight into the brief, demonstrating knowledge, skills and expertise learned throughout the program.

WORK HISTORY

Support Engineer
SuccessFactors/HCM/CRM SAP Ireland Limited Citywest Business Campus, Dublin - 1012-1014,
Citywest Business Campus, Kingswood Ave, Cheeverstown, Dublin 24   01/2017 - 08/2017

My role in SAP SuccessFactors is to deliver a high standard Continuous Quality Checks (CQCs) for SAP Cloud based customers to ensure a smooth production before their Go-Live,during their Go-Live, and after their Go-Live. To ensure a successful Go-Live my task is to monitor the customer's back-end system to make sure that they their system meet SAP SuccessFactors best practices. These services are performed in SAP's CQC Solution Manager and SAP Cloud Platform.

Sales Agent
Pair Mobile Ltd, Swords Pavillions, Co. Dublin   08/2015 - 01/2017

My role in Pair Mobile was to direct sales, manage stocks, customer care, liaising with technicians, updating handsets, achieving targets, and issuing solutions for customers who are having problems with their mobile phones.

Floor Staff
Austrian Embassy - Dublin, Dublin   07/2015 - 12/2015

My role in this part time job was to serve food, prepare food and welcome guests in a embassy get together.

Embroidery assistant
Caramba Limited - 97 – 119 Northway Estate,Dublin 11
This role in this job was to fold and pack orders. I also had to make sure that the orders are managed properly.
